MEMORANDUM FOR MR. ELMER B. STAATS  
Executive Officer  
Operations Coordinating Board

Thank you for your memorandum of March twenty-fourth concerning a briefing at the National Security Agency. As much as I would like to obtain such a briefing, it will be impossible for me to take the time during the next month.

I think it would be very valuable if Mr. Shaw Livermore could have the briefing, and if that would be possible, would appreciate Mr. Craig's arranging it. *no -

Thank you very much.
